A graphic design for a poster or book cover. At the top, there are horizontal stripes: a thick black stripe, a thin white stripe with a small red square and a small blue square, another thick black stripe, and several thin blue and white stripes. Below these is a large blue rectangular area containing the word "KARATEKA" in white, pixelated, uppercase letters. Underneath the blue area is a black silhouette of a karate dojo with a wooden railing. In the foreground, two white silhouettes of karate practitioners are performing a synchronized high kick on a brown mat. The background behind the mat is black.
